

PERFECT DAY®

Narayan Tripunithura Mahadeva (TM)

Interim CEO

TM serves as Chief Executive Officer of Perfect Day, the global precision fermentation leader on a mission to create a kinder, greener tomorrow through the harmony of nature and science. In his role, he leads all Perfect Day business functions and strategy, globally.

TM joined the company from HCL Technologies, Google's Ecosystems Business Unit, where he was the North American market leader responsible for retail, consumer goods, manufacturing, and energy, and utilities. The team accelerated technology and business formations, realigned the strategy, and grew its pipeline under his direction. Prior to that, he led teams in consumer goods and retail with companies including Cognizant and DXC Technology.

TM brings over 20 years of experience running and managing business units to Perfect Day. He is an expert at assembling and leading high-performance teams and transforming business units. He brings a passion for motivating and grooming leaders with a focus on continuous learning and improvement, critical for building the strongest team for Perfect day as it scales.

TM received his Bachelor's in Technology from SMC College of Dairy Sciences and a business degree from the Indian Institute of Management, Ahmedabad, one of Asia's premier management schools. Along with the rest of the Perfect Day team, he is passionate about using precision fermentation to make systemic change with partners around the world, for a more equitable and sustainable future.
