**Managing Director, Sterling Biotech Limited**

Philip Chacko is the Managing Director of Sterling Biotech Limited (SBL) where he oversees company performance and operations across the company's biopharmaceutical and gelatin businesses. Philip holds an MBA in Finance and Strategy from the Indian Institute of Management. A versatile leader, Philip brings to SBL nearly three decades of management expertise across multiple sectors, including manufacturing, finance, retail, energy, and real estate and has worked at some of the largest groups in India. SBL is a subsidiary of Perfect Day, the global precision fermentation leader on a mission to create a kinder, greener tomorrow through the harmony of nature and science.

Philip joined SBL from Nitta Gelatin India Limited, one of the most respected Japanese joint ventures in India and the country's largest collagen and gelatin manufacturer and exporter, where he served as Managing Director. Here he played a pivotal role in helping the company achieve record profits and growth, while driving organizational efficiency and effectiveness.

Along with the rest of the Perfect Day team, he is passionate about using precision fermentation to make systemic change with partners around the world, for a more equitable and sustainable future.
